I wanted to be with you alone
And talk about the weather
But traditions I can trace against the child in your face
Won't escape my attention

You keep your distance via the system of touch
And gentle persuasion
I'm lost in admiration could I need you this much
Oh, you're wasting my time
You're just, just, just wasting time

Something happens and I'm head over heels
I never find out until I'm head over heels
Something happens and I'm head over heels
Ah, don't take my heart, don't break my heart
Don't, don't, don't throw it away

Throw it away, throw it away

I made a fire and watching it burn
Thought of your future
With one foot in the past now just how long will it last
No, no, no, have you no ambition

My mother and my brothers used to breathing clean air
And dreaming I'm a doctor
It's hard to be a man when there's a gun in your hand
Oh, I feel so

Something happens and I'm head over heels
I never find out until I'm head over heels
Something happens and I'm head over heels
Ah, don't take my heart, don't break my heart
Don't, don't, don't throw it away

And this is my four leaf clover
I'm on the line, one open mind
This is my four leaf clover

In my, my time, why in the world
Who would need it back from behind?
Time flies
