I dream of Heaven  
I dream of Heaven  
I dream of Heaven  
Yeah

High time we made a stand  
And shook up the views of the common man  
And the love train rides from coast to coast  
DJ's the man we love the most

Could you be, could you be squeaky clean  
And smash any hope of democracy?  
As the headline says you're free to choose  
There's egg on your face and mud on your shoes  
On one of these days they're gonna call it the blues

Johnny Panic  
Johnny Panic and The Bible Of Dreams  
I get excited by the news of today  
What seems unstable may be able to stay

Johnny Panic  
Johnny Panic and The Bible Of Dreams  
I dream of Heaven  
Yeah

I spy, tears in your eyes  
They look into the skies for some kind of divine  
intervention  
Food goes to waste  
So nice to eat, so nice to taste

Politician Grannie with your high ideals  
Have you no idea how the majority feels?  
So without love and a promise land  
We're fools to the rules of the government plan  
Kick out the style, bring back the jam, bring back the  
jam

My flame is heart, my baby do as she please  
What good is living when you live in disease  
Johnny Panic

Johnny Panic and The Bible Of Dreams

I dream of Heaven, it's a heavenly place  
Why fall in love when you can fall from grace  
With Johnny Panic  
Johnny Panic and The Bible Of Dreams

I dream of Heaven  
I dream of Heaven  
I dream of Heaven  
Yeah
