Lord of karma

There's been some knockin'
There's been some heavy knockin'
It sounds like someone wants to break down the door
My super ego where I go, he go
You come a reeping, come a keeping the score
And I say Lord of karma
Your mystic pain, O Rama
One good reason, keep my feet on the ground
And I say Lord of karma
Your mystic pain, O Rama
Karma come on down, oh no, no

Lord of karma
Down on bended knees forever
Lord of karma
Down on bended knees forever

Take fear and loathin'
And put new clothin' on it
Infatuation with a snowmountain climb
In limitation
And devil's advocation
Come and make it quick, then hit it the ground
And I say Lord of karma
Your mystic pain, O Rama
Karma, come on down, oh no, no

Lord of karma
Down on bended knees forever
Lord of karma
Down on bended knees forever
Lord of karma
Down on bended knees forever
Lord of karma
Down on bended knees forever

These are the reasons and these are the laws
In one life you're rich, in the next you are poor
Save your excuses, your tensions and fears
Be sure as you go and you go with the flow

And you reap what you sow as above, so below

Mind your lip and swing your hips

And be selective, be objective

No pain, no gain

No pain, no gain

No pain, no gain

No pain, no gain

No pain, no gain

No pain, no gain

No pain

Lord of karma

Lord of karma

Lord of karma

Lord of karma

Lord of karma
