Heaven comes to he who waits  
But I know I'm getting nowhere  
And all the deeds of yesterday  
Have really helped to pave my way

Though there's no one near me now  
How come everyone can touch me now?  
You see the torture on my brow  
Relates to neither here nor now

Watch me bleed  
Bleed forever  
Watch me bleed  
Bleed forever  
Although my face is straight it lies  
My body feels the pain and cries

Here the table is not bare  
I am full but feeling empty  
For all the warmth it feels so cold  
Ooh I'm so young I feel so old

Watch me bleed  
Bleed forever  
Watch me bleed  
Bleed forever  
It's not allowed to be unkind  
But still the hate lives in my mind

I'll make no noise I'll hide my pain  
I'll close my eyes I won't complain  
I'll lie right back and take the blame  
And try to tell myself I'm living

And when it's all been said or done  
Where do I go? Where do I run?  
What's left of me or anyone  
When we've denied the hurting?  
Oh oh oh oh oh  
Pa pa pa pa pa pa pa pa

And when it's all been said or done

Where do I go, where do I run?  
What's left of me or anyone  
When we've denied the hurting ?  
Oh oh oh oh oh

Watch me bleed  
Bleed forever  
Watch me bleed  
Bleed forever  
And all the deeds of yesterday  
Have really helped to pave my way

Watch me bleed  
Bleed forever  
Watch me bleed  
Bleed forever  
And all the deeds of yesterday  
Have really helped to pave my way
