You better love loving and you better behave
You better love loving and you better behave
Woman in chains, woman in chains

Calls her man the great white hope
Says she's fine, she'll always cope, ooh
Woman in chains, woman in chains

Well, I feel lying and waiting is a poor man's deal (A
poor man's deal)
And I feel hopelessly weighed down by your eyes of
steel
(Your eyes of steel)
Well, It's a world gone crazy keeps woman in chains,
woh woh woh
Woman in chains, woman in chains

Trades her soul as skin and bones
(You better love loving and you better behave)
Sells the only thing she owns
(You better love loving and you better behave) ooh ooh
Woman in chains (the sun and the moon), woman in
chains

Men of stone, men of stone, hey baby, no no no, ooh

Well, I feel deep in your heart there are wounds time
can't heal
(The time can't heal)
And I feel somebody somewhere is trying to breathe
Well, you know what I mean
It's a world gone crazy keeps woman in chains

It's under my skin but out of my hands
I'll tear it apart (somebody somewhere is trying)
But I won't understand (to breathe)
I will not accept the greatness of man
It's a world gone crazy keeps woman in chains
Gone crazy keeps woman in chains

So free her, so free her, so free her

So free her, so free her (the sun and the moon)
So free (the wind and the rain) her, so free her
So free her, so free her, so free her, so free her
So free her, so free her (the sun and the moon)
So free (the wind and the rain) her, so free her
