I'm on the run again  
From fear of what might be my end  
I'm walking dusk til dawn  
In rain or shine  
Through eastern wind  
The Spirit's dwelling but my flesh is weak  
Bones are tired  
I need someone who cares  
Someone to hold and love their child

Who will remember us?  
Your prayers are all we have  
Is hope

CH:  
Somewhere, somehow  
Can you save me from  
this prison I have been put into?  
Someone out there  
That can hear our prayers  
Or are these tears invisible?

Though it may seem  
That our lives are a never-ending line of darkness  
There is a hope, there is a light to bring us into this  
With an orphan in His hand, and a hope that's in His  
eyes  
The father of the fatherless came to this earth to  
Bring hope, bring life  
To the poor and the defenseless  
For me he died

CH:  
Somewhere, somehow  
Can you save me from  
this prison I have been put into?  
Someone out there  
That can hear our prayers  
Or are these tears invisible?

Who will remember us?

CH:  
Somewhere, somehow  
Can you save me from  
this prison I have been put into?  
Someone out there  
That can hear our prayers  
Or are these tears invisible?
