[* Jason singing]

[+ both Kylie and Jason singing]

[1a:]

Especially for you

I wanna let you know what I was going through

All the time we were apart

I thought of you

You were in my heart

My love never changed

I still feel the same

[1b:]

*Especially for you

*I wanna tell you I was feeling that way too

*And if dreams were wings, you know

*I would have flown to you

*To be where you are

No matter how far

+And now that I'm next to you

[1c:]

*No more dreaming about tomorrow

*Forget the loneliness and the sorrow

I've got to say

+It's all because of you

[CHORUS:]

+And now we're back together, together

+I wanna show you my heart is oh so true

+And all the love I have is

+Especially for you

[2:]

Especially for you

I wanna tell you, you mean all the world to me

*How I'm certain that our love was meant to be

*You changed my life

You showed me the way

+And now that I'm next to you

*I've waited long enough to find you

*I wanna put all the hurt behind you

Oh,

+And I wanna bring out all the love inside you,

+Oh

[CHORUS:]

You were in my heart

My love never changed

[1c:]

[CHORUS:]

[repeat & fade]
