The finer feelings, the finer feelings

[1a:]

You can't give to me
Anything
I couldn't get for myself
I have needs as much as any man
And I understand the feelings well

[1b:]

I can still have a true heart
With a free mind
A good life
With a good time

[CHORUS:]

But what is love
Without the finer feelings
It's just sex
Without the sexual healing
Passion dies
Without some tender meanings
It ain't love
Without the finer feelings

[2:]

I get passionate
Just like you
But I have a little self-control
You just show your selfish attitude
Your emotion leaves me cold

[1b:]

[CHORUS:]

[BRIDGE:]

The finer, the finer
The finer feelings

[3:]

(I can still have a true heart) it ain't love
(With a free mind) it ain't love
(A good life)
(With a good time) feelings

[CHORUS:]
[repeat & fade]
