[x4:] It's no secret [echoed]

[1:]

When I first met you
How you changed my life that day
But when each tomorrow
You just seem to drift away

Then I discovered
That you were cheating
You were cheating on me
But I was the last to know
Ooh, ooh

[CHORUS:]

Our love was a lie
And it's no secret
It's no secret
How you hurt me inside
And it's no secret
Because you told everybody

[2:]

Didn't I really love you
You know I gave you all my heart
When I put my arms around you
I never thought we'd ever part
Ooh, ooh

Then I discovered
I guess you couldn't love me
Like you said you love me
Ohh, no
Why was I the last to know

[CHORUS:]

[BRIDGE:]

All of my life
I was looking for someone
Just like you

You shattered my dreams
Tore me apart
What can I do

(You were cheating)
(You were cheating on me)
But I was the last to know [CHORUS:] [repeat & fade]
