[1a:]

I can't take this situation
It's making me feel so blue
One moment you walked into my life
And now
You're saying that we're through

[1b:]

I hear that you're in love now
Baby, don't know what to say
I can't believe that I still feel this way
I hear that you're in love now
Baby, don't know what to say
Let the falling decide
You won't be mine
Put yourself in my place

[CHORUS:]

You know something will come around
You're gonna put yourself
(Put yourself) in my place
When your lovers bring you down
And there no-one else around
You're gonna put yourself
(Put yourself) in my place

[2:]

There's no rhyme or reason
(Rhyme or reason)
That keeps me playing along
(That keeps me playing along)
I guess, that I'll just keep on believing
Inside you love will;
Know right from wrong

[1b:]

[CHORUS:]

[repeat 3 times]

In my place (put yourself) in my place

Oh (put yourself)
