Remember when I saw you for the first time
I never thought you'd be mine
Then we went ahead and fell in love
Heaven was a common ground
We were never coming down
The two of us we had more than enough
You and I are not the same
To you love is just a game
Things will never be the same again

[Chorus 1:]
So now goodbye
This time I will be gone goodbye
Stayed for way too long
Started out with trust
But it isn't just about the good times baby

Remember all the promises we swore to
Can't say I didn't warn you
How I did adore you way back then (I did adore you
adore you)
Ohhhhh
But you broke a solemn vow
Ha! you're paying for it now
Wouldn't you expect more from a friend
You and I are not the same
To you love is just a game
Things will never be the same again

[Chorus 1]

[Chorus 2:]
So now goodbye
This time I will be gone goodbye
I stayed for way too long
I don't need you now
And I am oh so tired of excuses baby

Goodbye
Goodbye
Goodbye

Goodbye

This time will be gone goodbye
Stayed for way to long this time
It all started out with trust
But it isn't about the good times baby

[Chorus 2]
