[INTRO:]

Oh oh

Oh wah oh

Oh oh oh

[1a:]

If there was a chance

To save our broken romance

I'd let it go

'Cos now I know

That life doesn't end

You can start again

All isn't gone

Just carry on

Be your own best friend

[1b:]

It's easy to survive

Now that I finally realise that

[CHORUS:]

The world still turns

The stars still shine

The way they did when you were mine

A broken heart

Is a lesson learned

Though we're apart

Baby the world still turns

[2:]

I couldn't believe

That you were going to leave

Without a care

Heading somewhere elsewhere

Ohh my aching heart

Never thought that we would part

What could I do - my love for you

I as honest from the start

Time takes away the pain

And the sun will shine again, cause

[CHORUS:]

[1b:]

[CHORUS:]

[repeat & fade]
