[1a:]

Do you believe I'd let you down  
Your jealous heart gave you the runaround  
You couldn't see  
That I would always be your friend

[1b:]

If you can look inside your heart  
And understand what's tearing you apart  
You gotta trust someone  
Don't let hate get in the way

[CHORUS:]

Just turn it into love  
Turn it into love  
And open up your heart and you'll  
Never feel ashamed if you  
Turn it, turn it, turn it into love

[2:]

When all your other friends are gone  
I'll still be here to help you carry on  
If you have faith in me  
Then I'll believe in you  
You are the first thing on my mind  
Do you believe I wouldn't have the time  
I have to make you see  
You can't push the pain on me

[CHORUS:]

[x4:] Just turn it into love

[1b:]

[CHORUS:]

[repeat & fade]
