"Going home"

Visit "[Going home](#)" on MotoLyrics.com

I can't stay here
This place is over-rated
Year after year we take a downward slide

Bottle my fear
Not spiritually sedated
The end is near and I've got nothing to hide

So hear me out one more time

Chorus:
Oh by the way
I'm going home, I'm going home someday
I can not stay
I'm going home, I'm going home someday
I'm sorry I can't stay
I'm going home

The place where I stand
Is only temporary
The kingdom at hand is for eternity

That's where I'll be
That's where I'll be
That's where I'll be
For all eternity

Will you be up there with me
