I know she souds kinda crude but she feels kinda good  
she swings her hips and her bits to the rock 'n' roll  
groove

What she makes what she breaks I see its all good  
But she can't hide from the side what is ..(?).. mood  
Common lady gone crazy I don't know if shes listening  
tonight

Common lady gone crazy gotta fist for a generous  
thigh

(I think its time I told ya)

I can't do nothing else but see through coz got you one  
too many times

So baby stop and say somethin' else that makes you  
feel ok what ya say hey all you seem to think about you  
(hey)

You (hey)

You (hey)

You (hey)

You (hey)

You (hey)

You (hey)

You oooo

Turn the page damn it did I hear you say I got laid no  
way..

Turn the page wish I had it all again what the heck is  
faith

Common lady gone crazy I don't know if shes listening  
tonight

Common lady gone crazy gotta fist for a generous  
thigh

(I think its time I told ya)

I can't do nothing else but see through coz got you one  
too many times

So baby stop and say somethin' else that makes you  
feel ok what ya say hey all you seem to think about..  
you and all your pride and glory what it like to be so  
horny

cut your hair and change your look get a job and a  
power suit

analyze your whole damn life and obviously come here  
tonight

I can't do nothing else but see through coz got you one  
too many times  
So baby stop and say somethin' else that makes you  
feel ok what ya say hey all you seem to think about you
