If ever I would leave you,
it wouldn't be in summer
seeing you in summer i never would go
your hair streaked with sunlight
your lips red as flame
your face with a luster
that puts gold to shame

But if i ever leaveyou
it couldn't be in autumn
how i'd leave in autumn i never would know
i've seen how you sparkle
when fall nips the air
i know you in autumn
and i must be there

And could I leave you running merrily through the snow
Or a wintery evening when you catch the fire's glow

If ever i would leave you
how could it be in springtime?
Knowing how in Sring i'm bewitched by you so
Oh no, not in springtime
Summer, winter, or fall
no never could i leave you....at all
