(Beggars Enter)

Beggars:

Look down and see the beggars at your feet
Look down and show some mercy if you can
Look down and see the sweepings of the street
Look down look down upon your fellow man

(Gavroche and gang enters)

Gavroche:

How d'ya do my names Gavroche
These are my people here's my patch
Not much to look at nothing posh
Nothing that you'd call up to scratch
This is my school my high society
Here in the slums of Saint Michel
We live off crumbs of 'umble pioty
Tough on the teeth but what the hell!
Think you're poor, think you're free?
Follow me.. follow me!

Beggars:

Look down and show some mercy if you can
Look down look down upon your fellow man

Women:

What d'ya think your at?
Hanging round my pitch?
If you're new around here girl you've got a lot to learn

Women2:

Listen you ol' bat
Crazy bloody witch!
Least I give my costumers some pleasure in return!

Women:

I know what give!
Ya give'em all the pox!
Spread around your poison 'til they end up in a box!

Man:

Leave the poor ol' cow!

Move it, Madeleine!

She used to be no better 'til the clap got to her brain!

Beggars:

When's this gonna end?

Where are we gonna live?

Something's gonna happen soon

Or somethings gonna give!

It'll come it'll come it'll come it'll come it'll come it'll
come it'll come

Enjolras:

Where are the leaders of the land?

Where are the swells who run the show?

Marius:

Only one man and that's Lemarque

Speaks for the people here below

Beggars:

See our children fed

Help us in our shame

Something for a crust of bread in Holy Jesus name

In the Lord's Holy name

In His name in His name in His name in His name

Marius:

Lemarque is ill and fading fast!

Won't last the week out so they say!

Enjolras:

With all the anger in the land

How long before the judgment day?

Before we cut the fat ones down to size

before the barricades arise!

Beggars:

Look down and show some mercy if you can

Look down look down upon your fellow man....
