And now I'm all alone again
Nowhere to go, no one to turn to.
i do not want your money sir
i came out here coz i was told to
But now the night is near
And I can make-believe he's here

Sometimes I walk alone at night
When everybody else is sleeping
I think of him and then I'm happy
With the company I'm keeping
The city goes to bed
And I can live inside my head

On my own
Pretending he's beside me
All alone
I walk with him 'til morning
Without him, I feel his arms around me
And when I lose my way, I close my eyes and he has
found me

In the rain
The pavement shines like silver
All the lights are misty in the river
In the darkness, the trees are full of starlight
And all I see is him and me forever and forever

And I know it's only in my mind
That I'm talking to myself and not to him
And although I know that he is blind
Still I say there's a way for us

I love him
But when the night is over
He is gone
The river's just a river
Without him, the world around me changes
The trees are bare and everywhere the streets are full
of strangers

I love him
But every day I'm learning
All my life I've only been pretending
Without me, his world will go on turning
The world is full of happiness that I have never known

I love him
I love him
I love him...
But only on my own...
