Valjean:

One day more.

Another day, another destiny,

This neverending road to Calvary.

These men who seem to know my crime will surely  
come a second  
time.

One day more.

Marius:

I did not live until today.

How can I live when we are parted?

Valjean:

One day more.

Marius and Cosette:

Tomorrow you'll be worlds away.

And yet with you my world has started.

Eponine:

One more day all on my own.

Marius and Cosette:

Will we ever meet again?

Eponine:

One more day with him not caring.

Marius and Cosette:

I was born to be with you.

Eponine:

What a life I might have known.

Marius and Cosette:

And I swear I will be true.

Eponine:

But he never saw me there.

Enjolras:  
One more day before the storm!

Marius:  
Do I follow where she goes?

Enjolras:  
At the barricades of freedom.

Marius:  
Shall I join my brothers there?

Enjolras:  
When our ranks begin to form,

Marius:  
Do I stay, and do I dare?

Enjolras:  
Will you take your place with me?

Chorus:  
The time is now.  
The day is here.

Valjean:  
One day more!

Javert:  
One more day to revolution  
We will nip it in the bud.  
I will join these little schoolboys,  
They will wet themselves with blood.

Valjean:  
One day more!

Thernadiers:  
Watch 'em run amuck  
Catch 'em as they fall.  
Never know your luck when there's a free-for-all.  
Here a little dip  
There a little touch.  
Most of them are gonners so they won't miss much!

Rebel Students:  
One day to a new beginning  
Raise the flag of freedom high.  
Every man will be a king.  
Every man will be a king.  
There's a new world for the winning.

There's a new world to be won.  
Do you hear the people sing?

Marius:  
My place is here  
I fight with you.

Valjean:  
One day more!

Marius and Cosette:  
I did not live until today

Eponine:  
One more day all on my own.

Javert:  
I will learn their little secrets,  
I will know the things they know.

Valjean:  
One day more!

Thenardiers:  
Watch 'em run amuck.  
Catch 'em as they fall,  
Never know your luck when there's a free-for-all.

Javert:  
I will join these little schoolboys

Valjean:  
Tomorrow we'll be far away  
Tomorrow is the judgment day.

All:  
Tomorrow we'll discover  
What our God in heaven has in store.  
One more dawn.  
One more day.  
One day more!
