"Angry Anthem"

If I had my way, I'd never speak to anyone again
I gotta say, I hate people. I'm so sick of them
I just can't stand the bullshit. I wish I was so far away
from it
I'm just stupid, and I'm angry. Is it immature for me to
say--

Fuck all you motherfuckers
Fuck all you motherfuckers
Fuck all you motherfuckers, fuck you
Fuck all you motherfuckers
Fuck all you motherfuckers
Fuck all you motherfuckers, fuck you

I feel so lame, 'cause that's the best I can do to express
myself
It's always the same. Say the "F" word maybe that'll
help
I'm so sick of trying to fit in, I don't even know where to
begin
I got friends, but they don't know me. Want to tell the
world to blow me

Fuck all you motherfuckers
Fuck all you motherfuckers
Fuck all you motherfuckers, fuck you
Fuck all you motherfuckers
Fuck all you motherfuckers
Fuck all you motherfuckers, fuck you

And there's just one more thing that I have just got to
sing, yeah
Everyone and everything, fuck you

Fuck all you motherfuckers
Fuck all you motherfuckers
Fuck all you motherfuckers, fuck you
Fuck all you motherfuckers
Fuck all you motherfuckers
Fuck all you motherfuckers, fuck you, fuck you
