Will you please hold my hand?
I can't, I'm independent
I want to be your man
You can't, I'm independent

It's not that we don't know...
Why can't you let it go?

[Chorus:]
She's independent
She doesn't need your help
She's independent
She'll do it by herself
She's independent
Tries not to let it show
She's independent
I hate that stupid ho

I'll call you on the phone
You can't, I'm independent
Let me know when you're home
I can't, I'm independent

It's not that we don't know
Why can't you let it go?

[Chorus]

I hate this game we're playing
I can't hear what she's saying
Telling me that she is right and I am always wrong
Everything she does is only just because
She's clinically insane!

She's independent
Doesn't need your help
She's independent
She'll do it by herself
She's independent
Tries not to let it show
She's independent

I hate that stupid ho
I hate that stupid ho
I hate that stupid ho
I hate that stupid ho
Just let it go
