Bring it up top, wont make you stop  
Keep on spinnin like a spinnin top  
Bring it all in, bring it all out  
Everyone come on let's scream and shout

Bring it up top, wont make you stop  
Keep on spinnin like a spinnin top  
Bring it all in, bring it all out  
Everyone come on let's scream and shout

Oh-oh, Oh-oh, Oh-oh (x2)

I sadly mistook you by suprise  
Until I looked deeply in your eyes

She's the only girl for me  
And she's the only girl i need

Oh-oh, Oh-oh, Oh-oh

Call me up, talk to me  
Cuz you're the only girl for me  
Cheer me up  
Make it better

Call me up, talk to me  
Cuz you're the only girl for me  
Cheer me up  
Make it better

Oh-oh, Oh-oh, Oh-oh (x2)

I sadly mistook you by suprise  
Until I looked deeply in your eyes

She's the only girl for me  
And she's the only girl i need

(Solo)

(Bridge)

Tear me up, make it better

She's the only girl for me  
And she's the only girl i need

She's the only girl for me  
And she's the only girl i need

She's the only girl for me  
And she's the only girl i need

Oh-oh! Oh-oh!
