Once I was too young
To even see the sun
Sometimes I can't even see my own life

But then I met you
Was this sight really true?
I was lying to my own eyes

(Chorus)
Once my life was twisted
I went and then I missed it
Take me along the road to nowhere

Once my life was twisted
I went and then I missed it
Take me along the road to nowhere

Once again I had too
Was this your only clue?
Please come back to me

Even in my heart I
Never even saw that
You were in love with me

(chorus)
Once my life was twisted
I went and then I missed it
Take me along the road to nowhere

Once my life was twisted
I went and then I missed it
Take me along the road to nowhere

Oh-oh-oh-oh-Oh-oh
Oh-oh-oh-oh-Oh-oh
Oh-oh-oh-oh-Oh-oh
Oh-oh-oh-oh-Oh-oh

(Solo)

Once again I had too
I will burn forever (forever.....)

Chorus x 3
