As you go through life you'll see  
There is so much that we  
Don't understand

And the only thing we know  
Is things don't always go  
The way we planned

[But you'll see every day]  
[That we'll never turn away]  
When it seems all your dreams come undone

[We will stand by your side]  
[Filled with hope and filled with pride]  
We are more than we are  
We are one

If there's so much I must be  
Can I still just be me  
The way I am?

Can I trust in my own heart  
Or am I just one part  
Of some big plan?

[Even those who are gone]  
[Are with us as we go on]  
Your journey has only begun

[Tears of pain, tears of joy]  
[One thing nothing can destroy]  
Is our pride, deep inside  
We are one

[We are one, you and I]  
[We are like the earth and sky]  
One family under the sun

[All the wisdom to lead]  
[All the courage that you need]  
You will find when you see  
We are one
