Tell me, are you ready, are you ready
For the night time life, the summer time love
Tell me, are you ready, are you ready
For the night time life, the summer time love

Tell me, are you ready, are you ready
Tell me, are you ready, are you ready
Tell me, are you ready, are you ready
Tell me, are you ready?

Hoppin' all around the dinky dance floor
Pop into sight, jump before goin'
Up, down, takin' it all to town
Give it away, don't play, baby I said

Shake or break and make no mistake
It aches but you can take it
Up, down, 'n' around 'n' rewind
Come and get one more for the mind

Summertime, I'll make you hot
You're givin' me the fuel and I can't just stop
Now pump up that body baby
Make my mind go crazy

All the love that I have inside
I know for a fact that if you would die
Now I gotta be hard not soft
And gimme some summer love

Tell me, are you ready, are you ready
For the night time life, the summer time love
Tell me, are you ready, are you ready
For the night time life, the summer time love

Tell me, are you ready, are you ready
Tell me, are you ready, are you ready
Tell me, are you ready, are you ready
Tell me, are you ready, are you ready

Get on the floor where the action is
You can get on down about your business

When I'm old I hope to be sold
The truth unfolds and the stories told

If you're willing to say no more
Get down for shockin' 'n' rockin' the floor
Move it to the rhythm, groove with the flow
You know what you got to show, now let's go

Are you ready?
Are you ready?

Tell me, are you ready, are you ready
For the night time life, the summer time love
Tell me, are you ready, are you ready
For the night time life, the summer time love

Tell me, are you ready, are you ready
Tell me, are you ready, are you ready
Tell me, are you ready, are you ready
Tell me, are you ready, are you ready

Are you ready? Want some good love
Are you ready? Are you ready?
Are you ready? Want some good love
Are you ready? Want some lovin'

Are you ready? Want some good love
Are you ready? Want some lovin'
Are you ready? Want some good love
Are you ready? Want some lovin'

Tell me
Tell me

Tell me, are you ready, are you ready
For the night time life, the summer time love
Tell me, are you ready, are you ready
For the night time life, the summer time love

Tell me, are you ready, are you ready
Tell me, are you ready, are you ready
Tell me, are you ready, are you ready
Tell me, are you ready, are you ready
