So concealed  
And yet so clear you can't see

Now I feel fine  
Never thinking of  
Events of that time  
Days of the past  
End of story

On this day  
New things coming your way  
Go now girl  
Dive and reach for the pearl  
You will see  
It's there where you will reach

Now I feel fine  
Never thinking of  
Events of that time  
Days of the past  
End of story

Breaking me  
Blue eyes like the sea  
Heart so strong  
Beating on it's own  
So divine  
I'll pick you up at nine

Guitar solo

Now I feel fine  
Never thinking of  
Events of that time  
Days of the past  
End of story

Breaking me  
Blue eyes like the sea  
Heart so strong  
Beating on it's own

So divine  
I'll pick you up at nine
