I think the tears in your eyes
Were nothing more than a prayer
It's not my fault but the dice
Were not your fortune today

I think the tears in your eyes
Will cause a rainbow instead
The colors don't say goodbye
They keep my mind alive she said

Whoohooohooohoooo she is sad

You'll take a trip around the world
And go to places you've never been
And maybe it may take a million years
But unexpected we'll meet again

I teach you how to deal with death
And it's not easy
So if you maybe go ahead
I won't deceive you

Whoohooohooohoooo the girl's so sad

Guitar solo

I think the tears in your eyes
Were nothing more than a prayer
It's not my fault but the dice
Were not your fortune today

I think the tears in your eyes
Will cause a rainbow instead
The colors don't say goodbye
They keep my mind alive she said

Whoohooooo heyheeeey hey hey hey

Ladadati dadam ladadaidam
Ladadati dadam ladadaidam
Oooohoo oohooohoo
