"The End Of Eternity"

Tell me what I see, are the sands of time ending for
me?
Tell me the stories untold, 'cause I know that tomorrow
won't come
Let me feel the forgotten fears of our darkest dreams
Take me to the hidden valleys, show me your mighty
kingdom

I'm dead, but can you feel my still warm remains?
Is this the end of eternity?
My pale cranium lies on dreaming deserts

And now I see the glories of your divine worlds
I wander ahead through grotesque pleasures
Take me into your mind
Let me feel the lustful desires

I want to copulate with it all
"Like the man Adam knew his wife Eve"
I know that you can't give my life back
Why don't you take me away from this rotting body?
And burn my soul in frozen flames 'till I understand
