We've gone the wrong way 'round.
It was our first mistake.
Turn the Beagle around.

Shank shipped and shoppers suck it down --
Mama's first mistake, but I'm turning it down!
Was it what you ate? Is it weighing you down?

Friends of mine think they can carry on just being in a
band --
but Caroline, Dapper dan, the blood's not only on, but
IN your hands.
Yeah! (x6)
