Why are you frightened - can't you see that it's you  
That ain't no ghost - it's a reflection of you  
Why do you turn away keep it out of sight

Or don't live up to your given role  
There's more inside you that you won't show

But you keep it hidden just like everyone  
You're scared to show her make you vulnerable  
So you wear that ghost around you for a disguise

But there's no need just cuz it's all we've known  
There's more inside you that you haven't shown

So you keep on moving moving moving your feet  
Keep in shuf- shuf- shuffling to this ghost dance beat  
Just keep on walking down never ending streams

One day you'll walk right out of this life  
And then you'll wonder why you didn't try

To spread some loving all around  
Old fashioned causes like that still stand  
Gotta rid this prejudice it brings you down

How do you feel at the end of the day  
Just like you've walked over your own grave

So why are you frightened can't you see that it's you  
At the moment there's nothing - so there's nothing to  
lose  
Lift up your lonely heart and walk right on through
