We're caught in a wedge between "we" and what you  
want out of me.  
I'm freezing my head, just to see what the freezer can  
show me.  
Been pulling my share -- even more than what my  
share should have been.  
You'll be caught in a web without me, and I'm not sorry.

We came to sail the seas, but we blew it off too long.  
Now it's come to be, and I knew it'd feel wrong.  
What becomes of me? I don't know, but I know I'll get  
along --  
YEAH YEAH YEAH YEAH YEAH YEAH!

out of me?  
Whatchyou want out of me (x3)  
Whatchyou want me to be?
