Little girl in bloom  
With happy heart you wipe aside  
Any sadness, sorrow or gloom  
Tomorrow you'll be a blushing bride  
That loves her blushing groom

Little girl in bloom  
You watch the men play cricket  
From the window in your room  
See the ball go from bat to wicket  
Pass away the afternoon

Little girl in bloom  
Carries a secret  
The child she carries in her womb  
She feels something sacred  
She's gonna be a mammy soon

When your daddy comes home  
Don't tell him till alone  
When your daddy comes back  
Go tell him the facts  
Just relax and see how he's gonna react

Little girl in bloom  
All the clouds will go drifting by  
So sing your lullabying tune  
Every word is in your eyes  
As you sit and softly croon

Little girl in bloom  
Your love it fills the air  
With the scent of the sweetest, sweet perfume  
You feel so good you just don't care  
You're a little girl in bloom

Little girl in bloom  
She carries a secret  
The child she carries in her womb  
She feels something sacred  
Gonna be a mammy soon

When your daddy comes home  
Don't tell him till alone  
When your daddy comes back  
Go tell him the facts  
Just relax and see how he's gonna react
