I'm lying alone with my head on the phone,
Thinking of you till it hurts.
I know you hurt too, but what else can i do?
Tormented and torn apart.

I wish i could carry your smile in my heart,
For times when my life feels so low.
It will make me believe what tomorrow will bring,
When today doesn't really know (doesn't really know).

CHORUS

I'm all out of love, i'm so lost without you,
I know you were right, for leaving for so long,
I'm all out of love, what am i without you,
I can't be too late, i know i was so wrong!

CHORUS X 3

I'm lying alone with my head on the phone,
Thinking of you till it hurts.
I know you hurt too, but what else can i do?
Tormented and torn apart.

I wish i could carry your smile in my heart,
For times when my life feel so low.
It will make believe what tomorrow will bring
When today doesn't really know (doesn't really know).

CHORUS X 3
