I'm spinnin' my web like Spiderman I'm flying up high like Superman Everybody wants a life like mine But I am gonna be the only one to shine

I'm hard as rock like Iron man
I'm as dark and black as Batman
Everybody's staring at me and me
Coz' I am gonna be the writer of this story

I just wanna be a super hero
I have to escape this world of sorrow

Let me live my dream [x2] Let me feel this world of mine is real

I'm as famous as Captain America You'll hear my name from Europe to Africa The whole world is buying my merchandise When all I'm selling are fake stories and lies

And if one day I die please give me my crown Cause the king will come back like McFarlane Spawn And if one day someone wants to fill up my shoes Explain to him I'm still the one who'll choose

I just wanna be a super hero
I have to escape this world of sorrow

Let me live my dream [x2] Let me feel this world of mine is real

Let me live my dream [x2] Let me feel this world of mine is real real
