Lecrae:

Real Skinny

Loud Color Tenni's

Body marked Up Like Graffiti

I don't push a Maserati, Beamer, Benz or Bentley

And yeah I rode a foreign, and yes I'm looking spiffy

Go ahead and doubt us, but what you know about us

We aint gotta follow them (No), we take another route-a

No we aint blowin trees bro, open up my window

I see you poppin tags, but you know that's why yo ends low

I tried to tell em we was comin', go on, let us in

Why they hatin' like we all a bunch of Hooligans?

No Gimmicks, Spirit in my lyrics

Know when people hear it they gon' love or they fear it

And how we flow, when we show up at a show

They say we go S.O. hard in the paint, they can't wait for some moe'

But some others say we preachin', some close-minded teachin'

Like we aint heard of Marx life, and Niche, Believe me

(Chorus):

Ay, They Don't know about us, they don't, they don't know about us

They, They, they don't know about us, they don't know about

They think we Dum, Dum Diddy Dum, Dum

But they Gon' know, they gon' know about us

They gon' know about, they gon' know about us

They gon' know about, they gon' know about us

Oh they gon' know about us, they gon' know about us

Tedashii:

6,2,2 plus, go on add it up

(Hey, that's a big problem, call it Calculus)

Math on some track, but content like I had enough

Long hair, don't care, Samoan plus I'm tatted up

I know this blow ya mind, and I aint blowin pine

Not talkin' women lookin skimpy every otha line

Yeah, I got a dime, about to make her mine

Life in Christ got me finished like a crossed a line

With the way that you're telling me to sell, sell out  
Nah man it's so foolish, done tryin to be you and don't  
fit  
Mis-fit, I don't trip, everybody hate Chris  
They sayin get with this, just like a membership  
They talkin' slick like this is it, but it's just gibberish  
I say I'm interested, they say 'you different'  
Oh, you gon' know even if you don't let us in

(Chorus)

Tedashii:

Dum on em, dum on em, like I could be  
Dum on em, dum on em, like you should be  
Dum on em, dum on em, like I would be  
Dum on em, dum on em, yeah that's cool with me

(Chorus)
