[** feat. Trip Lee and Soye:]

[Intro:]

Let's tell 'em!

I'm a believer hey

We gotta let them know

Hey to all GODS people

I'm a believer!

[Verse 1: ~Tedashii~]

This right here don't make no sense

You ain't gotta guess baby that I'm His

Crucified, died, now alive in Him

I done put my faith in Him hommie till the end

Now the new life, I live in Christ

It's because of Him, ya boy shines so bright

You can keep the ring and the chains and the ice

Cams main campaign ain't to pop champagne, that's
lame, no game

Hommie I rep Christ

You can peep my lyrics and the way that I write

I surrendered everything, even my rights

I count it all lost just so I can know Christ

Or better yet baby just so that He can know me as a son
coming home from prodigal to free

Free from my sin that's the end of my grief

I'm a believer so best believe this is me

Even at the cross Jesus took my place

He didn't deserve it, I guess that's what we call faith

I did deserve it, I guess that's what you call grace

He did it for certain and guaranteed my place in Him
and then seated me on high

In the end baby i'll be caught up in the sky on a dime, in
the twinkling of an eye, i'll be found in the air with my
savior Jesus Christ

I'm a believer

I'm a believer no doubt

I'm a believer yeah

I'm a believer hear me out

I'm a believer yeah

I'm a believer yeah yeah

He came into my life and I never thought twice

He's all that I have and I'm willing to fight

I stare at them like. I'm a believer

[Verse 2: ~Trip Lee~]

Some might know me as a rapper some might know me
as a southern dude

Others as a black man, but first I got another crew

Ever since I heard the Gospel message how the Son
was bruised,

I got a new identity, it's like your boy's another dude

We ain't undercover brother, come and see us trust the
Truths that we stand under brother, other things adjust
and move

Some say we dumb for trusting Christ, they say we just
some fools, but you can check His grave if you want it
proved, ooh

We ain't perfect at all nah

We recognize this life's hard

The difference is instead of drowning, we trust the Life
Guard

We fight hard, but with the right perspective as we walk
this

Christ, He works in us like an office, so I'm a believer

I'm a believer

I'm a believer no doubt

I'm a believer yeah

I'm a believer hear me out

I'm a believer yeah

I'm a believer yeah yeah

[Verse 3: ~Tedashii~]

So in the end, hey this is me

I ain't that cat that you seen on TV

I ain't that rapper, model, actor, baller, none of them
defines me

I'm a believer, known to the One that exist in three

Co-heir to the kingdom, this means I'm the King's son,
partner, that's what defines me

Identity " crucified, choose to die, now the life that I
live, not I

But it's this flesh, He laid to rest, through faith, I live by
Christ

(Trip Lee)

I'm quite sure your mama told you not trust just
anybody

But tell me who is like the Lord? Not anybody

I took a look at Him in the Scriptures, this really got me
He keeps His promises, even though cats be living
sloppy

Look at His love, and His grace, and His just mercy

I was dirty, till I trusted Him who's trustworthy

I'm a believer

I'm a believer no doubt

I'm a believer yeah

I'm a believer hear me out

I'm a believer yeah
I'm a believer yeah yeah
