Riot, I said everybody riot  
Tell 'em if they want, come try it  
I mean, make war, everybody fight it-fight it  
Done with them secrets, yep I ain't keepin' quiet  
They say this won't hurt me, they lying  
They just tryin' to murk me, slowly I'm dying  
Lie, they lied, now they trying to bury us  
Pride, My pride, choke button, its a slaughter house  
Trying to hold on, but it's hard  
Screaming Oh my, oh my, oh-oh my God!

Whoa! Slave on this track, and sin is the pimp son  
Homer chokin' ya seed out Bart Simpson  
Danger, man, cause this thing is a monster  
Pro said fight cause sin, it'll harm ya  
So that's what I do, till I hear the bell ring  
Startin' up a riot, that's a everyday thing

La da da da, la di da di da (x4)  
Start a riot (x8)  
Ohhhh!!!

Okay, battle lines drawn, face paint on  
When the opposition come, it's time to drop bombs  
War clothes on, you can call it under-armor  
God-given weapons so the enemy won't harm ya  
Yes, I'm a snitch, or you can say informer  
Call it what you wanna, ay I'm just tryin' to warn ya  
Keep it on the low, watch your name ,. Become a  
tabloid  
Sin, can't avoid it, but we still tryin' to pay for it

And you will till you riot, fight with everything  
'cause the law can beat you down, Rodney King  
And you just tryin to get along  
You don't see that nothin' wrong  
But when you get alone, you trin' to get it on  
But with the Lord, ain't no such thing as secret  
He know what you finna to say, way before you speak it  
Knows what you finna to look at before you see it  
Knows everything, so confess it man, seek Him

La da da da, la di da di da (x4)

Start a riot (x8)

Ohhhh!!!

Ye-ye-ye, ye-ye-yeah (x4)

La di da da, we come back and reload

La di da da, don't hold back, here we go

La di da da, I know what we fo' sho'

La di da da, hold it down and let's go

Cause I refuse to be the one lying on the son

Like He don't change lives, I'm alive,

look what He's done,

I'm a product of confession man, every line's a lesson

I repent and tell it, no occupation, profession

La da da da, la di da di da (x4)

Start a riot (x8)

Ohhhh!!!
