[Verse 1:]

Eighteen years a flesh and she news to the Lord,  
Eighteen years a fish and she's new to the yard  
She's a baby drinking milk instead of food that is hard,  
But she chose to take the challenge though she knew it  
was hard  
Knew what it was to feel pain since she was two in the  
yard,  
Memories of daddy getting merked catching two in the  
heart  
Plus her momma was a product of 70s crack parties,  
The lack of supervision allowed her to act naughty  
She skipping all class but goin' to frat parties,  
Dressed to kill, dolled up, they call her the black Barbie  
She rocks the hottest fashion masking her heart's  
darting pain  
Behind Greeks saying "Hey, what up shorty? "  
She's loving the attention ignoring her conviction  
Because she's up in college getting noticed like  
evictions  
And for the first time it's like she finally found  
significance,  
She's catching compliments but at the cost of her  
innocence

[Hook:]

Don't play yourself like that (like that),  
Make a change I'll tell you where it's at (where it's at)  
Place your faith in Christ and He'll bring you back,  
Bring you back to reality man  
Cause you're stuck in a world full of sin, full of pain,  
Full of scars, money, fashion, and cars  
So go ahead and make Him King of your heart  
And you'll find yourself in Him

[Verse 2:]

Young dude up in college feeling cocky like 2 glocks,  
Up in the dorm writing Dear Mama letters like Tupac  
Mad at the world that's trying to break him into 2 parts,  
Feeling cheated, defeated, he's looking for a new start  
His momma lied 'bout cheating on his daddy, he

couldn't trust her,  
Far as he concerned his real daddy was a busta  
So since he couldn't discern this stuff, nowhere to turn  
and trust  
He burned the kush and turned to lust  
Women was his escape, adolescence his scapegoat,  
All the pressures of life wore him down like he played  
sports  
He played sports but that was just for attention  
His struggles with insecurities made him feel  
insufficient

The thoughts of other men concerning him kept  
concerning him,  
He thought if he didn't please them then there's no  
love for him  
Prisoned within himself by the vision of himself,  
So disgusted with life he wished he was someone else

[Hook:]

Don't play yourself like that (like that),  
Make a change I'll tell you where it's at (where it's at)  
Place your faith in Christ and He'll bring you back,  
Bring you back to reality man  
Cause you're stuck in a world full of sin, full of pain,  
Full of scars, money, fashion, and cars  
So go ahead and make Him King of your heart  
And you'll find yourself in Him

[Verse 3:]

Nobody told us God wanted a relationship,  
They just said that He was Master with a patient whip  
Out to get me if I chose to forsake His gift  
Saying my sin would be the reason if His patience  
dipped  
And I ain't perfect so I figured that He must hate me,  
(must hate me)  
So my hope was to not frustrate things  
So I gave Him very Sunday plus my bedtime prayer,  
And instead of my girl's room I went to bed downstairs  
I lived everyday thinking that His love was conditional  
Believing the subliminals that God was never into us  
But despite my world views and my girl's views  
I decided to side with the God who changed my world  
views  
It ain't worth it man to work your hand to plan to please  
the people,  
See I'm certain man assertive hands stand to see the  
cement  
All men will bow to this God who's real,  
And because of His love your significance is

[Hook:]

Don't play yourself like that (like that),  
Make a change I'll tell you where it's at (where it's at)  
Place your faith in Christ and He'll bring you back,  
Bring you back to reality man  
Cause you're stuck in a world full of sin, full of pain,  
Full of scars, money, fashion, and cars  
So go ahead and make Him King of your heart  
And you'll find yourself in Him
