Trip Lee: Oh yes, I used to live life all in the flesh, with J's and the cash what that's a mess. With clothes that I bought thought I was fresh, but I wasn't fresh at all, I was lost. Hollerin at them girls in the school house halls, tryina ball, ignorant to my flaws. Up until the Lord put all that on pause. Yes I blessed to fall at His cross. I, wasn't a dangerous cat, tryina aim things point blank range on cats, no sir, but still things was wack, man let me get some things off my chest like my chain was snatched, yea, I'm one of His kids you can be today, he covered any sin, we can flee away. Cling to his cross believe that He raised, see the truth, see the life, you can see the way (yea you can see the way)
