Love, life
One speaks for the other one here
And love, life
One speaks for the other one now
We'll try to get by

Did anyone try too hard?
Well I guess I did.
I guess I did. alright.
She'll break my heart.
Did anyone try too hard?
Well I guess I did.
I guess I did, alright.
And she'll break my heart.
She'll break my heart.

'Cause ever since the minute I saw your face.
I knew I wanted to be in that place, next to you.
Yeah.
And now I'll spend my whole life tryin'.
To be the one that's in your arms.
And I'll try to get by.

Did anyone try too hard?
Well I guess I did.
I guess I did. alright.
She'll break my heart.
Did anyone try too hard?
Well I guess I did.
I guess I did, alright.
And she'll break my heart.
She'll break my heart.
She'll break my heart.

Well isn't it alright?
Why can't it be?
Just this once alright?
It will be you and me.

Did anyone try too hard?
Well I guess I did.

I guess I did. alright.
She'll break my heart.
Did anyone try too hard?
Well I guess I did.
I guess I did, alright.
And she'll break my heart.
She'll break my heart.
