Don't talk to me about potential
I don't wanna hope for tomorrow
Don't sell me on a better future
I got what I need, don't need to borrow

Now I'm breathin' in
I'm breathin' out
I'm breathin' in and out now
Now I'm breathin' in
I'm breathin' out
I'm breathin' in and out now

Don't wear a watch to check the hour
It seems like everybody's racin'
I'm moving in the right direction
I'm headed where my face is facin', yeah

The calender the television CNN and people wishin'
Plannin' for a great vacation
Hate what's on, they change the station

We're movin' up, we're movin' out
We're movin' 'round and 'round

Now I'm breathin' in
I'm breathin' out
I'm breathin' in and out now
Now I'm breathin' in
I'm breathin' out
I'm breathin' in and out now
