They say it's alright
Say it's alright
It's alright, have a good time
Cause it's alright, whoa it's alright

Now we gonna move it slow
When the lights are low
When you move it slow, it feels like more
'Cause it's alright, whoa it's alright

Now listen to the beat
Kinda tap your feet
You got soul, everybody knows
That it's alright, whoa it's alright

When you wake up early in the morning
Feeling sad like so many of us do
Hold a little soul, make life your goal
And surely something's gotta come to you

And you gotta say it's alright
Say it's alright
It's alright, have a good time
cause it's alright, whoa it's alright

Someday I'll find me a woman
Who will love me and treat me real nice
When my woe's got to go
My love she will know
Morning, noon, until the night

And she's gotta say...

That it's alright
Say it's alright
It's alright, have a good time
Cause it's alright, whoa it's alright

It's alright, have a good time
Cause it's alright, whoa it's alright

(original song by C. Mayfield)
