Some people gonna say you're worthless
Some people gonna say you're dumb
Some people gonna get beat down
Some people gonna get what's come

You ain't shit they say
You're a lost cause
Sayin' I'm worth less than spit
Bitch I don't give a shit

Daddy says you're a freak
Mommy says you're a waste
Friends say you're gonna die young
No one gets your unique taste

You ain't anything at all they say
You're a waste of life
Sayin' I'm at the bottom of a pit
I'm drowning in all your spit
And still I don't give a fucking shit
Cause I'll be someone
When you're just no one
