Bring it back  
Sing it back  
Bring it back  
Sing it back to me

Bring it back  
Sing it back  
Bring it back  
Sing it back to me

Bring it back  
Sing it back  
Bring it back  
Sing it back to me

When you are ready I will surrender  
Take me and do as you will  
Have what you want you're ways always the best way

I have succumb to this passive sensation  
Peacefully falling away  
I am the zombie your wish will command me  
Laugh as I fall to my knees

Bring it back  
Sing it back  
Bring it back  
Sing it back to me

Bring it back  
Sing it back  
Bring it back  
Sing it back to me

Bring it back  
Sing it back  
Bring it back  
Sing it back to me

Bring it back  
Sing it back

Bring it back  
Sing it back to me

Can I control this empty dilusion  
Lost in the fire below  
And you come running your eyes will be open  
( Sing it back to me back back to me )

And when you come back  
I'll be as you want me  
Only so eager to please  
My little song will keep you beside me  
Thinking your name as I sing

Bring it back  
Sing it back  
Bring it back  
Sing it back to me

Bring it back  
Sing it back  
Bring it back  
Sing it back to me

Come come come to my sweet melody  
Come come come to my sweet melody  
Come come come to my sweet melody  
Come come come to my sweet melody

No you can't help it if you have been tempted  
By fruit hanging ripe on the tree  
And I feel useless  
Don't care what the truth is  
You will be here come the day  
( Sing it back to me )

Truth do you here me don't try to come near me  
So tired I sleep through the lie  
If you desire to lay here beside me  
Come to my sweet melody

Bring it back  
Sing it back  
Bring it back  
Sing it back to me

Bring it back  
Sing it back  
Bring it back  
Sing it back to me

Bring it back  
Sing it back  
Bring it back  
Sing it back to me

Bring it back  
Sing it back  
Bring it back  
Sing it back to me

Bring it back  
Sing it back  
Bring it back  
Sing it back to me
