The call of the wilds, the black cat's on attack And smack ya with a grizz' jaw back Suffering effects of years of oppress' Got ya running scared cuz the way that I'm dressed Gravediggaz, the battle with the snakes Spooks taking off cuz the force is awake Hah, and now I'm on ya back like a rash Run, run, yo, but you can't run from the blast Looking for my window, and death, yo, here's a text A threat is a black Gravedigga that can flex If you can, come upon a land with the creeps Watch how they sneak when you walk down the street Look over your shoulder, who's that, the villain The monkey on your back with the pitchfork rap Catch you off guard, cuz you six foot deep in the heart Heart, so don't be afraid of the dark [Craig G.] Aiyo, I am not afraid, I am not afraid, no I'm not afraid When I walk, cops follow like a raid Ducking, they be dipping, disappearing like a swami Plus I'm extra scared cuz you voted Guiliani In the office, you don't wanna caucus with me In the elevator, so you hid the excelerator And you walk, but I still follow like a hawk Just to spite you and your racist thoughts Plus patrolmen and taxi drivers are alike Patrolmen pull you over and the taxi's make you hype But I'm fine, my rhymes, could put your kids through college So I don't really listen to your brain washed garbage Nappy headed ones, coming through, hit the mark Craig G., Gravediggaz, don't be afraid of the dark [Chorus 4X] "I am not afraid of anything" - sample "I am not afraid of anything" - sample "Don't be afraid of the dark" - Craig G. [Poetic] I ricochet like bing-bing-bing, here comes

the Grym Your shit is fictionary, you a strict, already
Look up, up, nigga, as you pick your dictionary I'll let
your eyes bulge out at the fact That nigga is not a
synonym meaning black When the creator said let
there be light It means it was black, before that, there
was night And I am not afraid of the dark But you could
be, maybe, you should be Cuz of the youth, the blood
that you spilt In a country you built, now you worry you
might be killed By the grandsons and daughters of
those you offend Don't be afraid of the dark, you're
afraid of revenge
