Jess, I'm your understudy with the overbite  
Hooking up adverbs  
Consonants are tights  
Tail's on fire and I think you ought to know  
Got my head gear on thunderbirds are go

I hope my baby gets a Tony cause she's gonna stake  
her name  
Directing part III "Shrews Are Back and So Not Tame"  
so  
Lace up your white patent spell me with ya' hex  
Singing about cash money  
Writing about sex

And I can't give in till my script is on top  
You'll get the best wet fishbowl lens shot  
Cannes will come calling  
Screen for the siren  
We're up to Super 8, and that's 'k  
She's closing in on flying  
We'll marry on the jet to Norway.

Now if she is a mimeo and you are in the flesh  
Maybe you're trying to get rock from the blood of  
Johnny Tesh  
Plastic is melting you ought to take it slow  
No ejecting now  
Thunderbirds are go

And I can't give in till my script is on top  
You'll get the best wet fishbowl lens shot  
Cannes will come calling  
Screen for the siren  
We're up to Super 8, and that's 'k  
She's closing in on flying  
We'll marry on the jet to Norway.

We'll marry on the jet to Norway.  
To Norway  
We'll marry on the jet
