Oh love I've waited all my life to find you
I've searched for you in every dream
And suddenly you reached out to me
Oh love I remember when I first touched you
I remember how my heart had wings
To said upon
Tell me what went wrong

Oh love when you were just within my reach
I was blind to find my dreams of being free
Oh love it's not too late for you and me
There's still time as long as we believe
Believe in love
I thought that I could live without you
I really thought that I was strong
But now you're gone
I'm not half as strong
Oh love I never knew how much I missed you
I never knew I had to give to you
To keep you hear
Now I need you here
Oh love when you were just within my reach
I was blind
To find my dreams of being free
Oh love it's not too late for you and me
There's still time
As long as we believe believe
Believe in love
I never knew how life could fade away
A little bit more each day
Without you I'm twice the fool
Oh love
Believe me when I say I'm sorry
We've got to find a way to talk things over
Cause it's not over
Believe in love
Oh love.....
