oh mama  
don't walk away  
im a damn sore loser  
i aint too proud to say  
but im still thinkin bout you  
and im so lonesome without you  
and i can get you outta my mind

oh mama  
dont leave me alone  
my soul shut down so tight  
its like a stone cold tomb  
and its clear when im near you  
im just dying to hear you  
calling my name one more time

oh so dont pay no mind  
to my watering eyes  
it must be something  
in the air  
that im breathing

yes and try to ignore  
all this blood on the floor  
its just my heart  
on my sleeve  
thats bleeding

oh mama  
dont walk away  
leave me lying here breathing  
from the words so hard and plain  
sayin that the love  
that we had  
was just selfish and sad  
to see you now with him's just makin me mad

oh so kiss him again  
just to prove to me that you can  
and ill stand here and burn in my skin  
yes ill stand here and burn in my skin

oh ill stand here and burn in my skin
