Wandering the streets, in a world underneath it all
Nothing seems to be, nothing tastes as sweet
As what I can't have
Like you and the way that you're twisting your hair
round your finger
Tonight I'm not afraid to tell you
What I feel about you.

I'm gonna muster every ounce of confidence I have
and cannon ball into the water
I'm gonna muster every ounce of confidence I have
For you I will
For you I will

Forgive me if I st-stutter
From all of the clutter in my head
Cause I could fall asleep in those eyes
Like a water bed
Do I seem familiar, I've crossed you in hallways
a thousand times, no more camouflage
I want to be exposed, and not be afraid to fall.

I'm gonna muster every ounce of confidence I have
And cannon ball into the water
I'm gonna muster every ounce of confidence I have
For you I will
You always want what you can't have
But I've got to try
I'm gonna muster every ounce of confidence I have
For you I will
For you I will
For you I will
For you

If I could dim the lights in the mall
And create a mood I would
Shout out your name so it echoes in every room, yeah

That's what I'd do,
That's what I'd do,
That's what I'd do,
To get through to you

I'm gonna muster every ounce of confidence I have
And cannon ball into the water
I'm gonna muster every ounce of confidence I have
For you I will
You always want what you can't have
But I've got to try
I'm gonna muster every ounce of confidence I have
For you I will
For you I will
For you I will
For you I will
