Artist: Teddy Pendergrass

LP/CD: It's Time For Love ~~ Philadelphia International  
~~ 1981

Composers: Leon Huff~Cecil Womack

---

Baby, I, oh, I  
I can't live without your love  
See, I'm smilin' on the outside, while I'm just cryin' on  
the inside  
Facin' a world without your love

See, the truth has come to light  
You're the reason nothing's right  
Alone again tonight  
All just because of some silly fight

I, oh, oh, oh, I  
I don't wanna give without your love, foolishly I suffer  
I only pretend, oh, just to fool my friend  
Don't know what to do with myself without your love

There's a wounded empty space  
Nothing can replace that love  
That love, that love, that love that I lost  
You're my life, you mean so much to me

And I can't go it alone  
This winding, this winding road is so long  
So pack it up, baby, get it together  
Let's start all over again

I, oh, oh, oh, I  
I don't wanna live without your love  
While I'm smiling on the outside, I'm just cryin' on the  
inside  
Facin' a world without your love

See, I'm fightin' sleepless nightS

Tears have washed all hope from sight  
Oh, wouldn't it be, wouldn't it be so right  
If I had you right here with me tonight  
If you only reach out your hand and save a heartbroken  
man  
I can't live
